

# ASADULLO RAKHIMOV

## FRONTEND DEVELOPER

### MANIFESTO

I am an ambitious problem solver with a passion for online businesses and would like to join a team of professional developers. I am thorough and precise in everything I do and have a keen interest in technology, web applications, and stunning designs.

As someone who takes responsibility for his own personal development, I am continually evaluating and upgrading my skills so that I stay at the cutting edge of web development.

I may not have all knowledge of the world, but I am a quick learner
